This series is designed for those who know biblical languages. It is written primarily for the pastor and Bible teacher, not for the scholar. That is, the aim is not to review and offer a critique of every possible interpretation that has ever been given to a passage, but to exegete each passage of Scripture succinctly in its grammatical and historical context. Each passage is interpreted in the light of its biblical setting, with a view to grammatical detail, literary context, flow of biblical argument, and historical setting. While the focus will not be on application, it is expected that the authors will offer suggestions as to the direction in which application can flow.

New volume in a favorite Bible commentary series Writing a commentary on Galatians is a daunting task. Despite its relative brevity, this Pauline letter raises a number of foundational theological issues, and it has played a vital role in shaping Christian thought and practice over the centuries. In this replacement of Ronald Y. K. Fung’s 1988 New International Commentary volume, David deSilva ably rises to the challenge, providing a coherent account of Galatians as a piece of strategically crafted communication that addresses both the immediate pastoral challenges facing Paul’s converts in Galatia and the underlying questions that gave rise to them. Paying careful attention to the history, philology, and theology of the letter, and interacting with a wealth of secondary literature on both Galatians and the rest of the Pauline corpus, deSilva’s exegetically sound commentary will serve as an essential resource for pastors and theological students.

For hundreds of years Christendom has been blessed with Bible commentaries written by great men of God who were
highly respected for their godly work and their insight into spiritual truth. The Crossway Classic Commentary Series,
carefully adapted for maximum understanding and usefulness, presents the very best work on individual Bible books for
today’s believers. Ever since it was written, the apostle Paul’s letter to the believers in Galatia has nurtured trust and
assurance in Christ. Its grand themes of the superiority of Scripture over human reason, the sufficiency of Christ’s
atonement through his death, and the freedom of justification through faith alone continue to energize and enlighten
Christians today. This classic commentary from the heart of a courageous apostle will encourage and equip all who desire
to understand, live out, and communicate the true gospel of Jesus Christ.

Paul’s letter to the Galatians stands as a key book in the Bible, especially as it relates to the Old Testament Law and to the
Christian’s “freedom in Christ.” Paul’s emphasis on Jesus’s substitutionary death, justification by faith, and the work of the
Spirit makes the letter crucial for a complete understanding of the New Testament’s teaching on salvation through faith in
Christ. Combining scholarly depth with practical wisdom, pastor Todd Wilson has written a commentary based on years of
ministry experience and biblical reflection, resulting in a resource that is exegetically engaged, theologically informed, and
pastorally relevant. Paul’s passionate exhortation for the Galatians to return and cling to the gospel that saved them
remains relevant today, reminding modern readers of the importance of God’s grace for all of life. Part of the Preaching
the Word series.

Designed for the pastor and Bible teacher, the Zondervan Exegetical Commentary on the New Testament features today's
top New Testament scholars and brings together commentary features rarely gathered together in one volume. With
careful analysis and interpretation of the Greek text, the authors trace the flow of argument in each New Testament book,
giving readers the tools they need to properly understand and communicate the meaning of the text. Commentary on each
passage follows a clear structure to help readers grasp the flow and meaning of the text: Literary Context: A brief
discussion of how the passage functions in the broader literary context of the book. Main Idea: A one- or two-sentence
statement of the big idea or central thrust of the passage. Translation and Graphical Layout: Presents each commentator’s
translation of the Greek text in a graphical layout to help the reader visualize, and thus better understand, the flow of
thought within the text. Structure: Describes the flow of thought in the passage and explains how certain interpretive
decisions regarding the relationship of the clauses were made in the passage. Exegetical Outline: The overall structure of
the passage is described in a detailed exegetical outline. This will be particularly helpful for those who are looking for a
way to concisely explain the flow of thought in the passage in a teaching or preaching setting. Explanation of the Text: Commentators examine words and images, grammatical details, relevant Old Testament and Jewish background to a particular concept, historical and cultural context, important text-critical issues, and various interpretive issues that surface. Theology in Application: The theological message of the passage is summarized. The author discusses the theology of the text in terms of its place within the book and in a broader biblical-theological context. Finally, each commentator provides some suggestions on what the message of the passage is for the church today. The Zondervan Exegetical Commentary on the New Testament series is the go-to resource for pastors and Bible teachers looking for deep but accessible study that equips them to connect the needs of Christians today with the biblical text.

Jerome's Commentary on Galatians is presented here in English translation in its entirety.

Galatians reveals how Christ changes everything. Matthew S. Harmon traces the argument of Paul's most polemic letter. In Galatians, Paul defends his authority and attacks his opponents' arguments--and in both cases, the decisive factor is the Gospel. History and Scripture must be interpreted in light of Christ's arrival. The new creation has broken in, leaving nothing unaltered. Harmon plumbs Galatians' theological depth, including its view of sin and exile, apocalyptic antitheses, the Trinity, Isaiah's servant figure, the law, righteousness, and faith(fulness). The Evangelical Biblical Theology Commentary series locates each biblical book within redemptive history and illuminates its unique theological
contributions. All EBTC volumes feature informed exegetical treatment of the biblical book and thorough discussion of its most important theological themes in relation to the canon—all in a style that is useful and accessible to students of Scripture.

Destined to become the definitive commentary on Ephesians, this resource combines detailed exegesis and extensive interaction with contemporary scholarship.

The Zondervan Exegetical Commentary on the New Testament series covers the entire New Testament in twenty volumes; Clinton E. Arnold serves as general editor. 1-3 John In her commentary on John's letters, Karen H. Jobes writes to bridge the distance between academic biblical studies and pastors, students, and laypeople who are looking for an in-depth treatment of the issues raised by these New Testament books. She approaches the three letters of John as part of the corpus that includes John’s gospel, while rejecting an elaborate redactional history of that gospel that implicates the letters. Jobes treats three major themes of the letters under the larger rubric of who has the authority to interpret the true significance of Jesus, an issue that is pressing in our religiously pluralistic society today with its many voices claiming truth about God.

After the Apostle Paul returned from his first missionary journey, he heard that a certain group of legalistic Jewish Christians had infiltrated the churches he had established. These false teachers were teaching that new Christians had to be circumcised and follow the Old Testament law in order to be truly saved. Paul, realizing the gospel was at stake, wrote this letter in response. In Galatians Verse by Verse, experienced New Testament scholar sets forth Paul's laser-focused argument: Jesus is not only the Messiah; he came to inaugurate a new era in salvation history. In this new era, Christians are not made right with God by obeying the law; justification is by faith alone. This frees believers to live their lives not trying to earn salvation, but instead joyfully keeping in step with the Spirit. Pastors, Bible study leaders, and invested laypeople will all benefit from Osborne's careful reading of the text and commitment to making sense of the New Testament without scholarly jargon. The Osborne New Testament Commentary Series is a set of commentaries on every New Testament book. In each volume, Grant R. Osborne seeks to carefully exposit the text in plain language, bringing out
the treasures in each book and making them accessible for today's readers.

This new commentary in the New Testament Library series is not a systematic study of Pauline theology; rather, the aim of this study is to trace Paul's theology as it unfolds in his letter to the church at Galatia, and to attempt to illuminate, as far as possible, how the Galatians likely comprehended it, at the time they received it. The author asks readers to imagine themselves as silent witnesses to Paul's dictation of the letter and to observe, through a historical perspective, how the Galatian Christians might have understood Paul's words.

book, six to twelve sessions with discussion questions, and a closing section that assists the group in responding to God’s Word together or individually.”

Philip Graham Ryken interprets Galatians in line with Reformation teaching on this epistle, especially with respect to the doctrine of justification by faith alone. "Properly understood, the gracious gospel of Galatians liberates us from legalism," Ryken writes. "But since we are legalists by nature, the book challenges many of our preconceptions about what it means to have a right relationship with God." Ryken employs primarily the ESV. The Reformed Expository Commentary is biblical (committed to comprehensive exposition of the text), doctrinal (committed to the Westminster Standards), redemptive-historical (committed to a Christ-centered view of the Old Testament), and practical (committed to applying the text to people today). Coeditors are Philip Ryken and Richard Phillips; biblical editors are Iain Duguid and Dan Doriani. - Publisher.

Most Bible commentaries take us on a one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don’t discuss its contemporary application. The information they offer is valuable but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretative task. This new and unique series shows readers how to bring an ancient message into modern context. It explains not only what the Bible meant but also how it can speak powerfully today.

This volume by Dr. Thomas R. Schreiner on the interplay between Christianity and biblical law is an excellent addition to the 40 Questions & Answers series. Schreiner not only coherently answers the tough questions that flow from a discussion about the Old Testament Levitical Law, but also writes clearly and engagingly for the student. The pastor, student, and layperson can easily understand Schreiner’s biblical theology of the Law.

As the early church took shape in the mid-first century a.d., a theological struggle of great consequence was joined between the apostle Paul and certain theologians who had intruded into the churches founded by the apostle in Galatia. Writing his letter to the Galatians in the midst of that struggle, Paul was concerned to find a way by which he could assert the radical newness of God’s act in Christ while still affirming the positive relation of that act to the solemn promise God had made centuries earlier to Abraham. With the skill of a seasoned scholar and teacher, J. Louis Martyn enables us to take imaginary seats in the Galatian churches so that we may hear Paul’s words with the ears of the early Christians themselves. Listening in this manner, we begin to sense the dramatic intensity of the theological struggle, thus coming to understand the crucial distinctions between the theology of Paul and that of his opponents. We can therefore see why Galatians proved to be a momentous turning point in early Christianity: In this letter Paul preached the decisive and liberating newness of Christ while avoiding both the distortions of anti-Judaism and his opponents’ reduction of Christ to a mere episode in the epic of Israel’s history. Like the Galatians of Paul’s day, we can begin to hear what the apostle himself called “the truth of the gospel.”

This all-in-one commentary bundle on the book of Galatians features volumes from the NIV Application Commentary Series, Zondervan Exegetical Commentary Series, and Expositor's Bible Commentary Series. Each volume provides new and unique insights from leading biblical scholars Scot McKnight, Thomas Schreiner, and Robert Rapa. The unique features from each volume along with the diverse insights provided by the authors gives you all the tools you need to study and master the book of Galatians.
