The corporate executive who deals with lawyers every day and who may know more about the law than a junior associate is not the same sort of client as a criminal defendant with no previous experience with lawyers. It makes no sense to pretend these clients are equivalent. Lawyers therefore live and practice in many different worlds.

Where Did the Myth the Capitol Rioters Are Poor Come From?

Yes but No. Medical malpractice is considered civil law and you are certainly able to file a civil lawsuit on your own; however, these cases are extremely complex and well defended. The average person would not stand a chance in court against lawyers representing doctors and medical insurance companies.
Becoming poor is not an event. It is a process. Like a plane crash, poverty is rarely caused by one thing going wrong. Usually, it is a series of misfortunes—a job loss, then a car accident, then an eviction—that interact and compound. Though Gabriel says no one had told him, the company had a three-strikes policy for unplanned absences.

I experienced very poor communication from Premier Property Lawyers, even before the cyber incident. They changed my solicitor midway through the process and didn't inform anyone involved in the transaction. Their actions since the incident will no doubt become a case study in poor crisis management.

I had been battling my case on my own for a year. Then I had a family friend recommend Joelene. I had my doubts at first, as I did not believe my case would be resolved prior to my fourth court hearing. But Joelene did exactly that! In just over one month, she had everything signed and finalised (no court appearance required).

History shows that lawyers continually make big mistakes during trials, which negatively influences the jury and/or judge. The Honorable Beth Lazzara has had extensive experience in the courtroom as an advocate and as a trial judge, and she's sharing lessons learned to members of the bar to help lawyers avoid committing these blunders.

I highly recommend Colbert Cooper Hill Attorneys. I was injured on the job and clueless where to begin. They have been super helpful and understanding. Brandy West (I'm not sure of the exact job title) has been amazing. She explains when I don't understand. Without being condescending. This poor woman gets emails and texts from me constantly.

"We don't have any money for food," the poor man replied. "Oh, come along with me then," said the lawyer. "But sir, I have a wife with six children," the second man answered. "Bring them as well." They all climbed into the limousine - no easy task - and one of the poor fellows said, "Sir, you are too kind. Thank you for taking all of us with you."

"People in local jails unable to meet bail are concentrated at the lowest ends of the national income distribution, especially in comparison to non-incarcerated people. As this graph shows, 37% had no chance of being able to afford the typical amount of money bail ($10,000) since their annual income is less than the median bail amount."
