There's a long, intriguing introduction before the main part of this book, which is a complete translation of the Zhouyi (that is, the names, judgements and line statements). The Zhouyi is one of the very few I Ching books to contain the complete I Ching, with all its traditional values.

For years, the standard English translation of Xunzi was that by John Knoblock (1988, 1990, 1994), but in 2014 a new complete version appeared by Eric Hutton. Philosophy from the Qin (221 B.C.E.) to the Tang (618 C.E.) a. Syncretic Philosophies in the Qin and Han Periods

An archive of texts from a variety of mystical perspectives of Confucian, Taoist, Jewish, Christian, and Buddhist character, featuring a focus on Yi Jing (I Ching) and its translation, history, and symbolism. Also includes Chinese text, glossary, bibliography, and link compilations for in-depth study of The Book of Changes.

Feb 08, 2018 · In Australia and New Zealand, for example, the generation gap in regard to democratic values is comparable with that in the United States. 12 Results of a survey of European millennials show that only 32% selected democracy as one of their top five most important social values. 13 Increasingly, liberals in the West seek to reform liberalism

Dec 16, 2021 · Integration of omics data and deciphering the mechanism of a biological regulatory network could be a promising approach to reveal the molecular mechanism involved in the progression of complex diseases, including Alzheimer’s and Parkinson’s. Despite having an overlapping mechanism in the etiology of Alzheimer’s disease (AD) and Parkinson’s disease ...

MTL’d after 2 chapters; will keep up and re-read with CG’s translation. Since this is a relatively new novel, I thought I’d boost the ratings with a quick review. Updated since my last review at chapter 40. While the plot is well-paced and so on, I'm not a big fan of entertainment or face-slapping novels. That said, those plots are keeping my interest. There’s a long, intriguing introduction before the main part of this book, which is a complete translation of the Zhouyi (that is, the names, judgements and line statements). Browse on into the final chapters and the appendix, and you find that this is one of the very few I Ching books to include the complete I Ching, with all its traditional...
The Bagua or Pakua are originated from China, and are eight symbols used in Taoist cosmology to represent the fundamental principles of reality, seen as a range of eight interrelated concepts. Each consists of three lines, each line either “broken” or “unbroken”, respectively representing yin or yang, 0 or 1 forming binary numbers 000-111 (0 to 7). Due to their tripartite structure, they ...
